re: Security Issue - North West Tower

Hello New Office People :)

Welcome to Woodsworth!

We are so glad to have you here :)

I've noticed that the North West Tower of the Woodsworth House doesn't always have properly working elevators. I have to intentionally make sure that I always get the one.

I feel that it is important that I let you know that I am Autistic, and I welcome constructive criticism about my communications. If I ever write to you something that is weird or wrong, please do let me know. I'm more than happy to learn.

Please let me know your thoughts about the Security Issue.

Thanks, and have a great day!

p.s. I think there might be something wrong with my email system. Could you please let me know if you have received any emails from me since you arrived here at Woodsworth?
